ELY BROTHERS,

65 W. ELY BROTHERS, & Co. yearly use 2500 cords, only a part of which comes from Page. The rail-road debt of Page pledged by bonds to the S. V. R. R., which was originally \$100,000, but which has been reduced to \$80,000, was refunded a few days since into new bonds bearing 5 per cent. interest. The old bonds bear 6 per cent. interest and there is a saving to the county of \$800 yearly by the refunding, and in the 20 years, which is the limit of the new bonds, there will be a saving to the tax-payers of Page of \$32,000. The new bonds are held by parties in Charlestown and Frederick city. The accomplishment of this very desirable benefit to Page is greatly due to the practical views and persistent efforts of Mr. Broaddus, one of our well known citizens and clerk of our court He took the matter in hand and never

The recent trial of Mr. Broyles here demonstrated the fact that Page must have a new courthouse or the old one enlarged. Packed as it was for nearly two weeks, the old building was as uncomfortable as unbealthy, and complaints were general and outspoken. This and the question of better roads must engage the attention of our peo-ple if they wish to keep apace with their otherwise rapid improvements seen on all sides. No country can be at its best with bad roads such as we

Our Circuit Court adjourned without doing anything with the many suits in which the V. L. & I. Co. here is connected, the term having now run into the Clarke term on account of the criminal busines, and the judge being com-pelled to adjourn for the other courts. There are plenty of candidates for C'Ferrall's place already, and should the colonel get the nomination for Governor, there would be no dearth of

those willing to take his place. Page, so far, has no aspirant of its own, and in that respect will possibly have the better opportunity to make a good selection from among the others. From Clarke Mr. Moon is out; from

Shenandoah Mr. Walton; from Warren Mr. Turner; from Rappahannock possibly Mr. Gordon, and from Albemarle Mr. Wood. But this contingency may be a long way off, and may not occur.

From the best information, the fruit is not yet much hurt, save, perhaps, early cherries and small fruits of that kind. This is a fruit year, and, no mat-ter what the weather, there will be

fruit in plenty.

The death of Mr. Campbell a few days since, takes from us one of our best citizens, and one long known and respected by all. He was an ardent temperance advocate, and a democrat of the old school, firm, staid and true. and his absence will be felt.
